Permits are available to individuals and organizations with appropriate facilities and demonstrated expertise in rehabilitating migratory birds. You must be at least 18 years old to apply. Please make sure you attach a copy of any applicable State permits, as requested in C.2. on page 1 of this application.

Please provide the following information on a separate sheet of paper:

1. Describe in detail your experience and training, including duration, in maintaining and rehabilitating migratory birds. Include a list of species you have worked with, types of injuries, and treatment provided.

Diagrams must include dimensions and a description of interior and exterior construction materials, such as flooring and netting materials. Indicate the species or type of species to be housed in each.
3. Describe how birds will be conditioned for release. If you will use creance flying, describe in detail your expertise. If you propose to use a flight cage and do not own one, provide a letter from a licensed rehabilitator stating his or her willingness to allow you the use of their cage(s).

Also provide a letter from a federally permitted rehabilitator stating his or her willingness to provide you with assistance. If these are the same individual, a single letter will suffice.

8. You must retain records relating to the activities conducted under your permit for at least 5 years. Provide the address where these records will be kept.
9. Subpermittees: Anyone who will be assisting you with the permitted activities must either possess their own Federal rehabilitation permit or be authorized as a subpermittee under your permit. Some states may require Federal subpermittees to have their own state permit. You will be directly responsible for the actions of anyone working under your permit.

Please provide the name of anyone who will be assisting you. For anyone who will be responsible for the permitted activities in your absence (offsite), please describe their qualifications. Anyone authorized to conduct permitted activities in your absence must be at least 18 years old.
